

Food for Thought

Metro-Erie Meals On Wheels / (814) 452-6930 / www.MealsOnWheelsErie.org

Please Welcome Our New Partner

On May 1st, Metro-Erie Meals On Wheels will begin a collaboration with St. Martin Center's Catering On Parade who will begin making meals for our Pay-As-You-Go and Under 60 Persons With Disabilities clients.

St. Martin Center and Catering On Parade directly benefits our community and all profits go back into replacing former government funding. Meals are homemade—always fresh and never frozen, right down to the bread they bake every morning! COP believes in old fashioned comfort food prepared well; and all produce is locally grown helping our many hometown growers.

Collaborations usually consolidate duplicated services. This move, however, is a win-win for

different reasons. We help SMC break new ground and earn additional profits to help their own mission, and, it helps us offer a richer menu, more options to expand what we offer improving our own revenue, adds value to our clients through SMC programs, and more closely aligns us with another substantial Erie non-profit charity.

We will move meals and routes slowly over a two month period beginning May 1st. See the second page for all the details.

Welcome New Volunteers!
